#### 14:15:15 1 BY MS. REDDY: 2 Good morning. Thanks for joining us 14:15:42 Q. today. My name is Prathima Reddy. I'm an attorney 14:15:45 3 representing Quentin Suttles who's also present 14:15:48 4 here today. He's the Plaintiff in a case Suttles 14:15:51 5 14:15:54 6 versus City of Buffalo. Are you familiar with that 14:15:56 case? 14:15:56 8 Α. I am. 9 Okay. So today I'm going to be asking 14:16:01 Ο. you some questions on the record. As you could 14:16:04 10 14:16:06 11 tell, we're here with a stenographer who will be recording your responses, so it's really important 14:16:10 12 that you answer verbally my questions. If for any 14:16:12 13 14:16:18 14 reason --14:16:19 15 MS. REDDY: This is my assistant joining. 16 Mr. Duddy, do you have any objection to her joining 17 to listen in offline for training purposes? 18 MR. DUDDY: That's fine.

- A. You go from probationary police officer to a police officer upon completion of your probationary status of 18 months and then I became a detective and then I became a lieutenant.
- Q. So 18 months after June of 2013 you became a police officer --
- A. Incorrect. Your probationary starts upon hiring. It's 18 months since January of '13.
- Q. Okay. I'm just going to ask you not to speak over me because I hadn't finished my question and perhaps I got this wrong, but I'm just clarifying for the record.

January 18th, 2013 you were a probationary police officer?

- A. Correct.
- Q. 18 months later you were a police officer; is that accurate?
  - A. Yes.
- Q. How long were you a police officer, holding that title as a police officer with the Buffalo Police Department?
  - A. Until I was promoted to detective.

	I	Courtney Tripp - Ms. Reddy - 01/26/2024
		13
14:24:20	1	Q. When was that?
14:24:20	2	A. December of 2017.
14:24:23	3	Q. Did you transfer to the E department
14:24:33	4	during your probationary period?
14:24:34	5	A. Pardon me?
14:24:35	6	Q. Did you transfer to the E department
14:24:35	7	District. I'm sorry. During your probationary
14:24:35	8	A. During.
14:24:48	9	Q period or at the conclusion? Why
14:24:48	10	were you transferred?
14:24:49	11	A. It's standard practice that once you
14:24:53	12	are done with your training you become an officer
14:24:56	13	within a district and that was the district that I
14:24:57	14	was assigned to.
14:24:58	15	Q. Okay. And what training are you
14:25:00	16	referring to?
14:25:01	17	A. Field training. It's a part of the
14:25:04	18	academy.
14:25:06	19	Q. Okay. You mentioned field training
14:25:11	20	already, I believe, if I'm not mistaken, but let's
14:25:14	21	go back. When did you complete your field training?
14:25:16	22	A. October of 2013.
14:25:19	23	Q. Did that coincide with the probationary

#### Courtney Tripp - Ms. Reddy - 01/26/2024 14 14:25:29 1 period? I was -- I don't -- coincide with 14:25:29 Α. the ending of it or during it? 14:25:29 3 So, during your probationary period in 14:25:43 4 Q. 14:25:46 5 October of 2013 you completed your field training 14:25:46 6 and you were transferred from the D District to the E District? Is that your testimony? 14:25:48 14:25:53 8 Α. Yes. Going back to my initial question, you 0. 14:25:53 9 -- you were promoted in December of 2017 to 14:26:01 10 14:26:05 11 detective. What were the requirements to be 14:26:08 12 promoted? It's another Civil Service examination. 14:26:09 13 Α. 14:26:13 14 Is there anything else that's required? Q. 14:26:15 15 Α. You do an interview with members of the 14:26:20 16 police department. 14:26:22 17 Anything else to be promoted? At that time, you needed to have three 14:26:25 18 Α. 14:26:30 19 years served as a police officer. How long did you serve as a detective 14:26:35 20 Q. for the Buffalo Police Department? 14:26:42 21 Approximately 13 months. 14:26:43 22 Α. 14:26:45 23 And what happened after that?

Q.

		Courtney Tripp - Ms. Reddy - 01/26/2024
14:26:52	1	A. I was promoted to lieutenant.
14:26:53	2	Q. When was that?
14:26:54	3	A. January of 2019.
14:26:56	4	Q. And this is still in the E District?
14:26:58	5	A. Upon that promotion, I transferred to
14:27:01	6	Charlie District.
14:27:04	7	Q. C District? Okay. And what are the
14:27:07	8	requirements of being promoted from a detective to
14:27:09	9	a lieutenant?
14:27:10	10	A. They're not from one to another.
14:27:14	11	They're individually where you could take an exam
14:27:17	12	for either position. I applied for both. Being a
14:27:21	13	detective did not have any bearing on me becoming a
14:27:25	14	lieutenant.
14:27:25	15	Q. I see. Okay. So when did you apply
14:27:28	16	for both?
14:27:28	17	A. When I took the exams for them. I'm
14:27:31	18	not sure of the exact dates. Prior to both
14:27:36	19	promotions.
14:27:39	20	Q. So what prompted you to move from
14:27:45	21	detective to lieutenant?
14:27:46	22	A. That is the position that I chose.

JACK W. HUNT & ASSOCIATES, INC. 1120 Liberty Building Buffalo, New York 14202 - (716) 853-5600

Q. Why did you choose that position?

14:27:50 23

16

14:27:53	1	A. It was a position that I was interested
14:27:54	2	in working.
14:27:55	3	Q. Why were you interested in the
14:28:04	4	lieutenant position?
14:28:05	5	A. I don't have a direct reason. It was
14:28:14	6	one of my ambitions to move forward in my career.
14:28:20	7	Q. Okay. So January 2019 you are a

MS. REDDY: Counsel, I'm going to ask you for the last time to not provide any testimony for the record. You lodged your objection. I'm sure you're aware there's no relevancy objections today. I'm asking questions for the witness to answer. She indicated that she does recall the names of the 11 police officers that she is in charge of in this platoon and I expect her to name them now, but you have -- you have stated your objection and I'm sure the stenographer has recorded that down. Thank you.

- Q. Excuse me. Hold on, please. Just like I advised your counsel, please answer the question asked without additional comments or opinions.

What are the 11 officers in your platoon that you oversee currently?

physical contact or use of a firearm, Mace, pepper spray or use of a baton, in those conditions is the use of force form required to be submitted?

- A. Not all physical contact, but physical contact that's documented in the use of force policy.
- Q. And how does a police officer make that determination?
- A. Review the policy and determine if the force that they used fell under the list of forces that needed to be documented via the Blue Team or use of force form. I'm sorry.
- Q. I'm sorry. Could you repeat your answer? I didn't quite understand that.
- A. If the force or the physical -- so you said physical contact. Not all physical contact needs to be documented under a use of force form.

  If the physical contact that they had or the use of force that they used on a subject was under certain guidelines as written in the manual of procedures that they need to be documented on the use of force form, the officers would then complete the form.
  - Q. And who do they give that form to?

- A. It's uploaded electronically and it currently goes directly to the Internal Affairs Division via the new policy.
- Q. Okay. And what happened via the old policy?
  - A. It would come to their supervisor.
- Q. Does each police officer have a dedicated supervisor?
- A. They have a supervisor on, yes, so they are the platoon supervisor, but that supervisor can vary depending on attendance.
- Q. On attendance, right? Is that what you said?

- A. They do that based on the paperwork provided, the documentation.
- Q. Okay. So this questioning was prompted when we were discussing the body cam. I believe you had mentioned the use of force form and the body cam footage in relation. Does the supervisor review the body cam footage at that point?

    - A. Yes.
  - Q. Thank you. I just want to go back a little bit because I know you were a probationary police officer and then a police officer and then a detective; is that correct?

- Q. Okay. So within patrol -- I just want to make sure I have the hierarchy correct.

  Probationary police officer is how you enter into the Buffalo Police Department, upon completion of probation you become a police officer who reports to a detective; is that correct?
  - A. No. They report to a lieutenant.
- Q. Okay. In terms of the physical contact, is it up to each Buffalo police officer to make their own determination about whether they feel like the physical contact mandates a use of force form?
- A. There's a policy for when it should be recorded in that manner.
- Q. Right. And I -- I believe your testimony was that that police officer reviews the policy and makes a determination; is that correct?
  - A. Yes.
- Q. So it's a self-review process; is that correct?
  - A. Every situation is different. Are you

2 do not.

- Q. I appreciate that answer, but my question was a little simpler than that. If there is any physical contact, and I know you said there has to be a certain --
- A. It's the officer's responsibility to complete the form based on the actions during the incident in relation to the policy, yes.
- Q. Okay. So they review -- sorry. I think there's just a little bit of a pause in the recording. I don't mean to speak over you.

I don't understand why we're saying review as if they're going back, but it's based on their actions. If they are required to complete the form based on policy and the incident, then they are required to do so.

- Q. So, when the policy was in effect, how often -- you could just give me an approximation.

  I don't expect you to have an accurate number here, but how often have you had to review the body cam footage after a use of force form was submitted by a Buffalo police officer?
- A. I'm not going to approximate if I don't have an exact amount of when and how many times.

A. They would be reviewed or had the ability to review them when reviewing the use of force compliant -- I'm sorry. Use of force form which is submitted through Blue Team.

- Q. Okay. I'm just asking you to make an estimate. Would it be once a day, would it be twice a week, would it be four times a month?

  Let's just get a range, please. I know you can't recall exactly.
- A. There's no set amount to do anything such as that. It depends on how often an incident occurs which I do not -- there's -- incidents could occur daily or not for many months, so there's no way to give an answer for that.

(Discussion off the record.)

- Q. My question is is there any document that tabulates the amount of time that you have had a use of force form given to you as a supervisor for the Buffalo Police Department?
- A. I don't have any direct knowledge of that tabulation, so --
- Q. Is there any document or other instrument that would allow you to determine how many use of force forms have been submitted during your time as a supervisor for the Buffalo Police Department?

  - Q. How many use of force forms have you submitted to the Buffalo Police Department?
    - A. I don't have a direct number.
  - Q. Is there a record of how many use of force forms you've submitted?
    - A. Not that I have access to.
  - Q. Not that you have access to, but does that exist?
    - A. I'm unaware.
  - Q. So, after a use of force form is submitted and under the old policy the supervisor would review that form, what is the next steps?
  - A. It is forwarded through the chain of command to the Internal Affairs Division.
  - Q. What does the chain of command mean in that context?
  - A. You give it to somebody in higher rank.

    Chain of command would be as you described before.

    A police officer is under a lieutenant in the chain of command and a lieutenant is under a captain who

15:12:23 1 is under a chief.

- So under the old policy a police officer would submit a use of force form, the lieutenant would review it and it's your testimony right now that it would then move up for the captain to review; is that correct?
  - Α. Correct.
  - Q. What happens after that?
- It's reviewed by the captain and then Α. whatever their decision is, but the next step would be to be forwarded to Internal Affairs.
- And you said whatever their decision Q. What decision are they making at that point?
- Α. They review the incident the same as a lieutenant and determine if they feel that the force was necessary within policy.
- So, under this policy would any other Q. police officers, lieutenants or captains who are not in that police officer's chain of command review the use of force form?
- I don't know exactly. I'd give it to my captain and I do not know if anybody else sees it after that.

- A. I'm sorry. The computer was not clear. I could not hear you.
- Q. Oh, sorry. Does the old policy require that only officers, lieutenants, captains in the chain of command review the use of force form for any given police officer?
- A. I'm not exactly sure of the policy for who reviewed it at that time as concerning Internal Affairs. They have multiple ranks within Internal Affairs.
- Q. Right. But before it gets -- I'm referring to before it gets to that point of Internal Affairs. You indicated that it would go from the police officer up the chain of command, so presumably to their direct supervisor being a

- 15:14:41 3 Q. -- then possibly a captain and then 15:14:50 4 Internal Affairs?

  - Q. So, putting Internal Affairs to the side for a moment because that happens after the captain reviews or may or may not happen after the captain reviews, my question to you is in that chain that you just described police officer to lieutenant, to captain, does the policy mandate that only officers in that chain of command review a Buffalo police officer's use of force form?
  - A. I'm unaware if at that time it would go to the chief of that district or not.
  - Q. Okay. I guess my question is referring to is it only the direct supervisors of the police officer that review that form?
  - A. It's generally the supervisor at the time of the incident.
  - Q. Okay. And that would stay true as you move up the chain of command; is that correct?
    - A. There's -- there would be -- you mean

15:34:26	6	A. Lieutenant.
15:34:28	7	Q. What district were you part of?
15:34:31	8	A. Charlie District.
15:34:33	9	Q. And earlier you gave us a name of the
15:34:36	10	platoon that you supervised. Was that still
15:34:39	11	relevant in May of 2020?
15:34:43	12	A. Yes. I'm sorry. The name of the
15:34:44	13	platoon?
15:34:45	14	Q. Do the platoons have names?
15:34:49	15	A. The shift is called MP4 which means at
15:34:54	16	that time I still worked the same shift that I work
15:34:56	17	now, 3:30 p.m. to 1:30 a.m.
15:34:59	18	Q. Oh, okay. And you're indicating that
15:35:08	19	that's the shift you worked in May of 2020?
15:35:10	20	A. Correct.
15:35:23	21	Q. And actually my question was in
15:35:26	22	reference to the names you provided earlier as the
15:35:28	23	platoon that you supervised. Is that the same

15:35:31 1 platoon you supervised in May of 2020?

- A. I'm assigned to the same shift. I am not sure if all of the officers -- well, I know for sure not all of the officers. Some of them were not even hired at that time. I'm assigned to the same shift, but I do not have the exact same officers under my supervision.
- Q. So the 11 police officers you named earlier in your testimony are police officers in your platoon currently?

  - Q. And, again, when you use the word -you said something about an incident number or a
    call. What are you referring to there?
  - A. Incident number is the number that's generated by a call for service or when a call type is generated. A call type could be a traffic stop, something generated off a 911 call. It's the incident number that the whole incident is documented under.
  - Q. Okay. So let's say there's a traffic stop and two police officers pull over a citizen.

    Does that now -- is that then a call?
    - A. Correct.

- A. I didn't come there to ensure the transportation. That was something that we discussed after my arrival.

- Q. And what made you believe that he had something that he could consume, according to your own testimony?

- Q. You said it is generated. What does that mean?
- A. They give the information on who participated in the arrest to the report technician who physically types it.
  - Q. Is that done verbally?
- A. They verbally tell the report technician who was involved.
- Q. Okay. And where is the report technician?
  - A. They're in Central Booking.
- Q. Okay. Is that your name at the bottom of the document?
  - A. It is.
- Q. Name of assisting officer seven

  Lieutenant Courtney Tripp, is that your name at the

  bottom of that document?
  - A. Yes.
- Q. And is this an accurate reflection of the case history from this arrest? You could take a moment to review it if you haven't reviewed it

- Q. And does this accurately reflect your involvement? It says name of assisting officer number seven Lieutenant Courtney Tripp, functions performed assisted in investigation, arrest, supervised?
  - A. Yes.
  - Q. Is that accurate?
  - A. Correct.
- Q. And what does this mean? What is the exact function you performed with respect to assisted in investigation?
- A. That summarizes that I was on the scene at some point during the investigation or during this incident or call.

- A. I said that he needed to be transported to be checked for possible hidden contraband.

MS. REDDY: As I stated previously, we provided two exhibits that were produced by the defense and submitted them to the court reporter for marking. This is marked as Defendant's Exhibit 2.

MR. DUDDY: I'm not sure of the number on the first one.

MR. DUDDY: Okay. Page 8. I got it. That's fine.

MS. REDDY: It has been labeled right here Defendant's Exhibit 1. Again, these were produced by the defense. They weren't Bates stamped, so I took the liberty of stamping them for the purposes of the deposition today.

- 16:25:55 3 A. It appears to be an Internal Affairs

  - Q. And how does this get generated?
  - A. That would be through the Internal Affairs Department. I don't know.
  - Q. I'm going to direct your attention to page 1. Page 2 appears to be blank. This is labeled use of force and it has an Internal Affairs number and it was received on May 10th, 2020. Are you familiar with this type of form?
    - A. Yes.
    - Q. What would you call this form?
    - A. A use of force form or a Blue Team.
    - Q. Or a what? I'm sorry.
    - A. The Blue Team.
  - Q. So a use of force form could also be called a Blue Team? Is that what you're saying?
  - A. It's under the Blue Team program, so it's often considered as a use of force form or a Blue Team.

  - A. This is one that I would have reviewed, yes.
  - Q. And I know you don't have the liberty of having it in front of you in a paper copy, so I'm going to scroll up and I'm going to represent to you that this is reflecting incident number 20 dash 131 dash 0536. It indicates the involved citizen is Quentin Suttles. Scrolling up, there's a second page, employees involved Officer Ronald J. Ammerman and there's page 3.

Does this form actually stop at a certain point or does it generate further events involving the use of force form after submission?

- A. Does it generate more things?
- Q. It says right here -- I'm sorry. Let me rephrase.

It says right here Blue Team chain routings. Can you explain that?

A. That means it was sent to me for review

exactly as it states, sent from Officer Ammerman to Lieutenant Tripp, and then he asks that I review his submission.

- Q. Okay. And, just to get the language correct, would you -- is this entire document considered a use of force form or is it just the portion that Officer Ammerman submits? I'll represent to you this is a five-page document.
- A. This is included in the use of force form. What you were asking about is the history of forwarding the form. It's showing you that it was submitted by him to me for review.
- Q. Okay. For the record, I will represent that you are referring to page 3 --
  - A. Correct.

- Q. So I want to direct your attention to the bottom of the page -- well, slightly before the very bottom. Here there's a decision that says not approved. Can you explain that to us?
- A. It says that it was not approved because under the reviewer comment it says the incident number must be formatted 20 dash 131 dash 0536, so the decision of not approved was not based on the use of force, but based on the formatting of the incident number that the officer had included.
- Q. So what does not approved -- is it your requirement right now to approve or not approve?

  Is that your function at this point?
- A. During this time, I was to review his use of force. The form was not approved based on a typographical error that the CD number was not formatted correctly based on the request of the Internal Affairs Division. The decision of not approved was not at all based on the actions of Officer Ammerman during the time of the incident.

- A. To review them and approve or not approve, correct.
- Q. And what does approve mean and what does not approve mean?
- A. In this incident, it was not approved based on the formatting of the incident number.
- Q. And, if it's approved, what does that mean?
- A. It means that it was reviewed and the force was believed by the approving officer -- or, I'm sorry. Approving lieutenant or captain that the force was necessary and within policy.
- Q. So here initially you're not able to approve it because of formatting issues. It seems like that happens again? Is that accurate?

  - A. Yes.

- A. Employee assessment of the citizen condition? You would have to -- I don't know exactly what the options are for that and what it's referring to.
- Q. The citizen that's being referred to is Mr. Suttles in these types of documents; is that correct?
- A. Yes, but you want to know specifically the employee assessment of the citizen condition.

  That was answered by Officer Ammerman. I don't know exactly what the form is asking for at that time.

- Is there anywhere on the use of force 0. form that would indicate that Mr. Suttles and Officer Ammerman were within 1 feet of one another?

A. I approved this based on the summary --

- Q. That's a yes or no question. I'm sorry. Did you approve this use of force form?
  - A. Yes.
- Q. So did you make any independent investigation into whether the first statement that I just read to you is an accurate reflection of what had occurred on May 10th, 2020?
  - A. My decision is based on this document.
- Q. Please answer the question and only the question asked. I read you a statement that was in the summary portion of Officer Ammerman's use of force that you approved and my question to you is after having read that first statement to you did you take any steps to independently assess whether that was an accurate reflection of what occurred on May 10th, 2020? And that is a yes or no question.
  - A. No.
- Q. Thank you. Moving on to the second portion, officers had to take the subject to the ground in an attempt to gain control. Subject refused to comply with multiple verbal commands

- Q. It's a yes or no question.
- A. I don't recall doing that.

Struggle -- and I'm going to continue to the last portion of the summary provided by Officer Ammerman in his use of force form that you approved. During the entire struggle, subject did continuously put hands into pants and continue to disobey verbal commands. Officer did attempt to gain control of the subject with an upper body hold. Subject still refusing to comply with verbal commands to put his hands behind his back and attempt to get away from the officers. Officer did strike subject in his head with hands.

Again, the same question, Officer Tripp.

with you in case of an emergency.

Follow up with your healthcare provider or orthopedist within 2 to 3 days: Write down your questions so you remember to ask them during your visits.

Activity: Talk to your healthcare provider or orthopedist before you start to exercise. Start slowly and do more as you get stronger. Exercise will help make your bones and muscles stronger. Sling care: Healthcare providers may put your arm in a sling to support your scapula while it heals. Keep your sling clean, and adjust it so that your arm is comfortable.

Rest: Rest when you feel it is needed. Slowly start to do more each day. Return to your daily activities as directed.

5/11/2020 - Received contact information for complainant, Tina Akaic – 716-563-2343. This writer spoke with Ms. Akaic via telephone and I was advised she was not present during the incident. Ms. Akaic stated she has child in common with Mr, Suttles. She informed me that Mr. Suttles was unable to take my call and in any case had been advised by his attorney to not speak anyone. Ms. Akaic stated she did not have the name of his attorney readily available, but she agreed to pass on my information.

5/11/2020 - Obtained cell phone videos of the incident and follow-on reactions via Facebook and added to case file

5/11/2020 – Obtained the involved Officers body worn camera footage of the incident and added to case file

5/11/2020 – Obtained arrest documents, medical records, and criminal history for complainant, Quentin Suttles.

5/12/2020 - This writer and IAD Investigator Lt. Louis Kelly conducted a canvass of the Eagle St. and Madison St. neighborhood.

We spoke with Demetris Stepney of 9 Madison St. Upper. Mr. Stepney stated he did not observe the beginning of the incident. He heard yelling coming from outside his home and he went outside to see what was happening. He stated he observed a black male handcuffed on the ground and Officers were punching him in the head and striking him on his back with their knees. Mr. Stepney also stated there was a female present who kept yelling at the Officers, telling the Officers to stop hitting the male. He stated that after the scuffle, Officers appeared to be searching for something. They searched the male, the ground, and the male's vehicle, but they did appear to find anything.

We also spoke with Ricky and Faith Bishop of 584 E Eagle St. Their residence is at the northwest corner of E Eagle and Madison Streets. They too did not observe Officers initial contact with Mr. Suttles. They came outside to investigate after hearing yelling outside their home. Mr. and Mrs. Bishop stated they observed two Officers on the ground with a male. One of the Officers was striking the male in the head with his fist. They also stated they observe a female yelling at the police while filming the incident on her cell phone. The Bishop's later reviewed their home surveillance video which they stated showed Mr. Suttles' vehicle turning northbound on Madison St. from E. Eagle. Madison St. is one way for traffic traveling southbound. A police vehicle with lights activated followed Mr. Suttles vehicle northbound on Madison St. Video on Madison St. was obstructed by parked vehicles. This writer provided the Bishops with my contact information in order to obtain copies of the videos.

5/13/2020 – Police Officer Gaisha Wilson of the Internal Affairs Satellite Office received a voicemail from Attorney April Robinson. Ms. Robinson stated she was the representative for Mr. Quentin Suttles. She provided the following information:

Attorney April A. Robinson The Elevation Law Firm 404-819-1980

4/6/21- Police Officer Ronald Ammerman gave a statement to Lt. Alberti @1515 hours. Stated he and his partner, PO Mike Scheu did observe a car travelling the wrong way on a one way street. The car attempted to do a 3 point turn to head in the right direction and was subsequently then pulled over by subject Officer and his partner. Stated PO Scheu approached the driver's side and was speaking with the driver and the subject Officer did approach the passenger side and was speaking with the FM passenger. Stated the smell of marihuana was exiting from the vehicle and subject Officer did see what appeared to be narcotics baggies on the floor where the passenger was sitting. Stated the male driver exited the vehicle and was being patted down by PO Scheu when he appeared to have turned into his partner at which time subject Officer did go over to the drivers side to assist after partner stated he had felt something that could have been narcotics during his pat down in the waist band / pocket area of the male. Stated the driver did lean into the vehicle handing the FM passenger his cell phone. State the male kept going in his pockets and was told several times to remove his hands from same and subsequently after not complying was taken to the ground by Officers and did pull himself under the car up to about his waist so that his upper half was beneath the car.. Stated the male was told repeatedly to stop and put his hands behind his back due to the fact if he had indeed had narcotics he may attempt to hide or destroy evidence or even worse attempt to swallow it that could possibly lead to his death. Subject Officer also stated it is also possible that the male have a small weapon, knife or razor blade still hidden at this point. Stated both Officers repeatedly gave verbal commands to the male to stop and give Officers his hands and only did after being struck several times in the head by subject Officer while partner was also informing subject Officer of the whereabouts of the males other hand. Stated he never had the male in a choke hold but rather a restraint where the upper body and arm would have been in the Officers grasp. Stated male kept yelling he was being killed and could not breathe, at no time was the male in danger of not being able to breathe or lose consciousness due to being restrained. Stated bystander's as well as the FM passenger were telling the male to just stop and it would be ok to which he did ignore what they were telling him. Stated the male eventually stopped most likely from fatigue and did give the Officers his hands to be cuffed and no other force was used against the male once he did comply as Officers repeatedly asked of him to do.. Stated the male was taken to CCB for a more thorough search and then taken by ambulance to ECMC for medical and was accompanied by subject Officer who rode in the back. Stated the male while enroute to CCB and also ECMC did state to Officer's that he did have drugs on him that he gotten rid of it in the grass and told his girlfriend everything would have been alright had he just given the drugs up. Stated no drugs were ever recovered, male was treated at ECMC and prir to this date the subject Officer had no previously dealings with him.

4/6/21- Police Officer Michael Scheu gave a statement to Lt. Alberti @ 1540 hours. Stated he and his partner, PO Ammerman did observe a vehicle travelling the wrong way on a one way and stopped the vehicle for this. Stated a very string odor of marihuana was coming from inside the vehicle as its windows were rolled down as Officers approached. Stated the occupants of the vehicle did admit to smoking and the male driver stepped out of the car to be patted down bu subject Officer as his partner stayed on the passenger side initially. Stated as he was patting down the male for drugs / weapons he did

feel something at which point he shook the shorts out and what he originally felt (8 ball) slid down into the males crotch area. Stated the male grabbed the door jam and did pull himself toward the inside area of the car at which time he was told to stop which he refused to comply with and was taken to the ground. Stated he did have his hand balled up inside his pants area and with his other hand was pulling himself under the vehicle almost being up to his waist area at one point. Stated Officers were able to get males upper body from under the car but his hand was still balled up at which point subject Officer believes he may have kneed the male in back of his leg once as he and his partner repeatedly asked the male to stop resisting and give the Officers his hand which was being held by him inside his pants. Stated bystanders and the FM passenger that were watching also were telling the male to stop resisting to which he did not comply with. Stated the male eventually stopped resisting and was handcuffed then taken to CCB to be thoroughly searched. Stated the male after the search was taken to ECMC by ambulance for medical treatment and did make admissions that he did have narcotics as the Officers had suspected.

5/5/21 - Corp. Counsel attorney Zachary Gariick did forward copy of 50-H given by Quentin Suttles 12/2/20 who's summary is a s follows: On the date of the incident, he had picked up food for 3 individuals and was delivering said meals with his girlfriend in her Chevy Cobalt. Stated after dropping the last meal off he was going to head from downtown to South Buffalo where he was going to pick his daughter up from her grandmothers home. Stated before leaving downtown he did stop to get gas for the vehicle at the gas station in the area of Jefferson and S. Division St. stated a white CV Police cruiser passed by as he was getting gas and did stare at him making him feel nervous at which time he left the gas station and did head down Jefferson and di then pass the same Police cruiser as they had just done a U-turn and were now heading back towards him. Stated he got worried and did turn the wrong way onto a one way street (Madison) and after passing 3 homes he did attempt to turn around at which time he did see the same Police cruiser approaching him with their overhead lights activated. Stated at this time he put the vehicle in park and was now horizontal blocking the roadway to which the Police cruiser did pull up to his parked vehicle in a T-bone position. Stated 2 officers approached the vehicle, one Officer on each side and he was asked by the Officer on hisside for his license, vehicle paperwork as well as inquiring if there were any drugs in the car. Stated he did exit the vehicle with his hands in the air and was searched by PO Scheu who searched his pockets of his sweatpants first and then was "fondled" by PO Scheu after they had searched the vehicle and had found nothing. Complainant then stated that the Officers had not searched the vehicle and he did not see them search same. Stated Po Scheu grabbed his penis and asked if that was him to which he replied "yes" at which point PO Scheu did then go up under his buttocks and grab the area his penis connects asking again "what's this" to which complainant responded "that's nothing". Stated he was then taken down and PO Ammerman takes over and does punch him in the eye while PO Scheu continued to "fondle" his penis. stated when he was taken down he ended up on his stomach, face down and one of the Officers was choking him at which time he began to yell to his girlfriend to record the incident as he "fought to stay alive". Stated backup Officers did arrive while he was on the ground as the "assault" was taking place. Stated he was never given any commands by Officers when he was taken to the ground and did not recall any Officer saying anything to him while on the ground. Said while on the ground his hands were "stretched out" until they were placed in handcuffs by PO Ammerman after his eye "closed shut". Stated he was then stood up by an unknown Officer and seated in the back of a Police car by PO Ammerman . Stated on the way downtown PO Ammerman asked him where the drugs were to which he replied he did not have any. Stated after Central Booking he was taken to ECMC after he was complaining about injuries to his arm. Stated while at CB he was subjected to a cavity search which required him to squat, bend over, spreads his buttocks and cough looking for whatever PO Scheu thought he was feeling during his search. Stated at ECMC his waist down was x-rayed as well as his right shoulder. Stated he believes the Officers made hospital staff x-ray below his waist believing he had ingested or tucked away in his buttocks drugs because he never consented to same and his complaint was an injury to his right shoulder. Stated ECMC staff did tell him he had a broken right scapula and a broken orbital bone in his right eye area. Stated while at the Hospital, he could hear PO Jake Giaranno telling PO Ammerman the video the complainants girlfriend had recorded was posted already on Facebook. Stated PO Giaranno did enter his room alone trying to "sweet talk" him telling him that if he had his girlfriend remove the video Officers would never bother him again. Stated he said ok to PO Giaranno feeling pressured to stay on the Officers good side. Stated he was taken back to CB where he did see the judge and was then released.

Subject Re: PO Scheu / PO Ammerman

Chief Wright,

Just wanted to update you on the email I sent you yesterday regarding PO Scheu and PO Ammerman as I later discovered PO Scheu transferred to MP2 and his days off are different than originally stated.

PO Ronald Ammerman will be brought back from Administrative Leave on Wednessday 5/19/21 and upon his return to work that day at 1600 hours is to report immediately to the Cheektowaga Police Department's Range for his annual qualification with his Department issued Glock before he is released to work back on patrol.

PO Michael Scheu is scheduled to be on his first WV next. Wednesday but must report to the Cheektowaga Police Department's Range on Wednessday 5/19/21 to qualify with his department issued Glock. DPC Lark has authorized PO Scheu to get 4 hours of OT to do this and in discussion between the Range, myself and PO Scheu the hours for this will be 0800 - 1200

DPC Lark has determined both Officer's will in addition to thier qualifications be required to attend remedial article 35 training which she will decide the date for this after having discussion regarding same with Lt. James Stabler of the Academy

Both PO Scheu and PO Ammerman were notified yesterday by me regarding all of which I mentioned above and I respectfully recommend they be notified by thier Command of same. Should you need anything else regarding this please call me

Respectfully,

Today, 5/12/21, DPC Lark did hear IAD Case EC2020-024 which was an excessive force complaint involving PO Michael Scheu and PO Ronald Ammerman from Madison / E. Eagle on 5/10/20. After hearing all evidence related to the case, DPC Lark did determine the allegations against both Officer's were Not sustained. Per DPC Lark, PO Scheu and PO Ammerman are cleared to be brought back from Administrative leave on Wednessday May 19,2021 and on that day during at the start of their shift they are

to report to the Cheektowaga Police departments randge and qualify with thier Department issued Firearm as they both have not qualified since 3/4/2020.

I will be notyfying both Officers regarding this matter and would recommend their command follow up with them as well. Should you have any questions please call me

Hello Zack,

Share!!! Buffalo, NY Police are targeting, pulling over our young men and women and treating them like shit. This young man could have been killed had this not been filmed, but was beaten although it was being filmed. Please anyone seeing a car stop please film. This young man has a broken collar bone and eye socket. I don't care if he has a police record. It has nothing to do with the Officers behavior. The Officer needs a police record for assault. #drivingwhileblack #breathingwhileblack #thebluewallofviolence
